

INFORMATION ON THE PROCESSING OF PERSONAL DATA FOR THE WEB SITE <http://www.plm4u.com/>

1- DATA CONTROLLER

The data controller is hereinafter also just "Controller"

Pursuant to Regulation (EU) 2016/679 (hereinafter "Regulation"), this document describes the methods of processing the personal data of users who consult the website of the Data Controller

<http://www.plm4u.com/>

This information refers only to the domain of the Data Controller and not to any other sites, pages and similar that can be reached via any published hypertext links.

2- TYPE OF DATA PROCESSED AND PURPOSE OF THE PROCESSING

Browsing data

During normal operation, the computer systems and software procedures utilised in the operation of this website gather some personal information whose transmission is implicit in the use of Internet communication protocols. This information is not gathered in order to be associated to the identified Data Subjects, but which by its very nature could, if processed and associated to data held by third parties, lead to the identification of the users. This category of data includes the IP addresses or names of computer domains used by the users when connecting to the website, URI (Uniform Resource Identifier) addresses of requested resources, the time of the request, the method used in submitting the request to the server, the size of the file obtained in reply, the numerical code indicating the state of the reply given by the server (OK, error, etc.) and other parameters concerning the operating system and computer environment of the user.

Purpose

Verify the correct functioning of the website for the production of aggregate and anonymous statistics on users:

This data is used only for anonymous statistical information concerning the use of the website and to check the correct operation.

Defence in court:

The Personal Data of the User may be used by the Data Controller in court cases, or in the preparatory phases thereof, for the purpose of defence from abuses in the use of said data or of services connected therewith on the part of the User. Data may be used to ascertain responsibility in the case of hypothetical data processing crimes to the detriment of the website.

Maintenance

Data provided voluntarily by the user

The voluntary, explicit and optional sending by the user of e-mails to the addresses indicated in this website, implies the subsequent acquisition of the sender's address, required to reply to any requests, and any other personal data entered. Specific information notes will be provided on the pages of the Website regarding particular services or processing of data provided by the User or the Data Subject.

Cookies and other technical identifiers used by the website

The cookies on this website are used for the sole purpose of "carrying out the transmission of a communication over an electronic communications network, or as strictly necessary for the provider of an information society service explicitly requested by the contractor or user to provide this service "(see Article 122, paragraph 1 of the Code).

No use is made of cookies for user profiling. The only processing carried out concerns the production of statistics, with pseudonymised data, on navigation on the web site indicated in paragraph 1.

Processing methods - Conservation

The processing will be carried out in an automated and manual form, with methods and tools aimed at guaranteeing maximum security and confidentiality, by persons specifically authorized for this.

Data storage times

Data will be stored for a period no longer than necessary for the purposes for which they were collected and subsequently processed.

Scope of communication and dissemination

Your data that is processed will not be disseminated, sold or exchanged with third parties without your specific consent.

Your data may be disclosed to third parties belonging to the following categories:

- subjects that provide services for the management of the information system;
- firms or companies that provide assistance and consulting services;
- competent authorities for compliance with legal obligations and/or measures of public bodies, on request.
- external provider;
- companies that carry out ordinary or extraordinary maintenance on the website ;

Your data will not, in any case, be disseminated.

Data transfer abroad

The data subject's personal data will not be transmitted to third countries. In the event your personal data are transferred to third parties or international organizations in future, all the measures in chapter V of EU Regulation no. 2016/679 will be complied with, in order to guarantee an adequate level of protection.

Rights of the data subject

The data subject has the right to request access to his or her personal data, the rectification or erasure thereof or and restrictions on or opposition to the processing thereof. You also have the right to request full details regarding your rights, by writing to the address of the Data Controller.

Right to lodge a complaint with the supervisory authority

If you believe that the processing of data regarding you is in breach of your dignity, you have the right to lodge a complaint with the pertinent Supervisory Authority.

COOKIES POLICY

The software applications used may contain cookie technology. The main function of cookies is to offer the user a smoother browsing experience. Cookies can provide information on browsing within the website and allow for the functioning of a number of services that require the identification of the path the user takes through the various pages on the website. Regardless of the presence of cookies, all accesses to the portal involve the recording of the type of browser and operating system (e.g. Microsoft, Apple, Android, Linux, etc...), the host and the URL used by the visitor, as well as data on the page requested. However, the user may set his or her browser to receive information when a cookie is received, so that he or she can decide whether to delete it. Further information on cookies can be found on the websites of browser providers.

Types of cookies

No further personal data of users is purposely acquired by the site.

Cookies are not used to transmit information of a personal nature, nor are the so-called c.d. persistent cookies of any kind, or systems for tracking users.

The use of so-called session cookies (which are not stored permanently on the user's computer and disappear when the browser is closed) is strictly limited to the transmission of session identifiers (consisting of random numbers generated by the server) necessary to allow safe browsing and efficient site. The so-called Session cookies used on this site avoid the use of other IT techniques that are potentially detrimental to the confidentiality of users' browsing and do not allow the acquisition of the user's personal identification data. Apart from what is specified for "navigation data" (for "cookies"), the provision of data by the user is entirely optional. Failure to provide them may only make it impossible for the user to obtain what is requested.

Other links

To provide the user with a better service, this website may contain links to other websites. The Data Controller declines all liability for content and materials accessible from or through such websites. Any information regarding websites accessed via links must be shared exclusively with the administrators of the websites in question.

Changes to the information note on the use of cookies

The information note on the use of cookies is reviewed periodically to ensure it is kept up to date. This information note on the use of cookies was last updated on 20 gennaio 2022
